

Nomination for

Outstanding ABE Alumnus

*Each Spring, the Department of Agricultural & Biological Engineering presents alumni with the Outstanding ABE Alumnus Award. This is awarded based on significant contributions or marked success in their chosen career field. The award is typically given mid-career. As a previous awardee, we would appreciate your input into this year's selection process. If there is someone you would like to nominate, please complete as much of the information below as possible. We also ask that you write a brief letter supporting the nomination. We will contact the nominee for additional information. A list of previous awardees is provided on the next page for your convenience..*
