WELCOME TO

PURDUE UNIVERSITY

On behalf of the Global Engineering Program, I welcome you to Purdue and invite you to take advantage of all the University has to offer. Purdue is a large university with a diverse and fascinating population of students, faculty and staff who hail from across North America and around the world. We feel fortunate to have you as a member of our community.

We know that beginning in a new university, let alone a new country, can offer many challenges beyond the purely academic. Our office, along with many others on campus, is here to assist you in making a successful transition, and also an enjoyable on. We believe that Purdue and our College offers you a multitude of opportunities, and this handbook is intended to help make the most of them by smoothing your transition to life at Purdue.

We invite you to seek out opportunities and explore your interests, wherever these may lead you. We hope that this handbook will help you find your way, whether you are seeking the 'best' burger in town, a place to live, or ways in which to become an involved member of the Purdue community.

We wish you the very best of luck in your studies and look forward to meeting you in the days to come. Drop by our office (1259 Hampton Hall of Civil Engineering) and meet one of our student Ambassadors.

With sincerest good wishes,

Bill Anderson, Director, GEP
Professor of Aeronautical and Astronautical Engineering

GEP Vision and Mission

VISION: "... Leadership through global impact ..."

The Purdue Global Engineering Program will be an integrated, model program for engineering schools across the world, offering the tools and opportunities for global engineering discovery, education of engineers who exhibit scientific initiative and cultural sensitivity as they step into roles of international leadership, engaging and positively impacting communities both at home and abroad.

MISSION: "... Global Leadership in Engagement, Learning, Discovery ..."

The GEP mission includes the three Purdue mission areas as follows:

Engagement: Improve the competence and livelihood of the engineering, academic and business communities in Indiana, the US and the world, through building global partnerships.

Discovery: Strengthen the College of Engineering's signature as a global engineering hub for strategic research in targeted geographic areas to meet the global engineering grand challenges of the 21st century and beyond.

Learning: Provide opportunities to Engineering students of Purdue through global educational initiatives that empower them to become leaders of engineering discovery, engagement and learning.

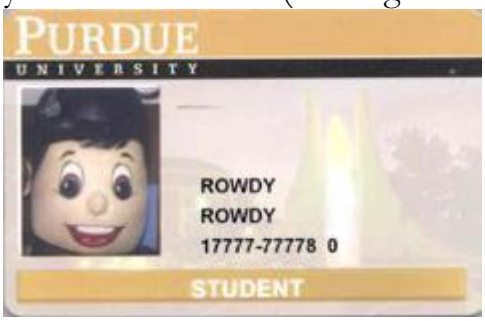
Learn more about GEP and opportunities for students:

https://engineering.purdue.edu/GEP

First Things First!!

Getting your Purdue ID card (PUID)

Your PUID allows you **free transportation on City Bus,** dining services, check out materials at the Purdue Libraries, access to the Recreational Sports Center and your residence hall (if living on-campus).



- **Orientation/Check-In with the ISS Office -** you cannot get your PUID Card until you have checked in with ISS (Schleman Hall).
- **SEVIS Compliance Form** will be issued to you after completing the Orientation/Check-In process.
- Your **passport** is needed along with this form.

Weather Profile

We have four distinct seasons in Indiana:

Autumn & spring → BEAUTIFUL, MILD SUNNY.

Winter → COLD, WINDY & SNOW-FILLED.

Summer → HOT, SUNNY & HUMID

Month	High °F	High °C	Low °F	Low °C
January	32	0	14	-10
February	37	2.7	18	-7.7
March	49	9.4	29	-1.6
April	61	16	39	3.8
May	72	22	50	10
June	81	27	62	16.6
July	85	29.4	62	16.6
August	83	28.3	60	15.5
September	77	25	53	11.6
October	65	18.3	41	5
November	50	10	32	0
December	37	2.7	21	-6

You'll need **appropriate clothing** for all four seasons:

Winter – hat, gloves, scarf, boots and heavy, wind proof coat.

Summer – shield yourself from strong sun by wearing hat, and light weight clothing that protects sensitive skin from burning sun.

Autumn & Spring – are usually pleasant, but can have lots of **RAIN** and high **WIND** – be prepared with boots, umbrellas, and a good raincoat.

HOUSING INFORMATION

On-Campus Housing http://www.housing.purdue.edu

- Hawkins Graduate House – Single living ……..... 765-494-7187

Health Care

Purdue University Student Health Center (PUSH) **601 Stadium Mall Drive**

Health Insurance – MANDATORY!

The Purdue Student Insurance Plan, provided by United Healthcare Student Resources is a comprehensive program de-signed for the student population at the Purdue University West Lafayette campus. Purdue University requires that ALL international students purchase the university-sponsored health insurance plan.

Online enrollment - Complete enrollment instructions are available on the Purdue University Student Health Center (PUSH) website: https://www.purdue.edu/push/ Click on —*Student Insurance* on the menu bar for more information.

Avoid delays and late fees! Complete your registration AT LEAST three weeks before arrival in the United States

Questions or concerns? Speak to a Student Insurance Representatives about enrollment, policy benefits, waiver in-formation and claims.
Click *Student Insurance/Contact Us*.

Purdue University Student Health Center (PUSH)

- Location: 601 Stadium Mall Drive
- FIRST STOP for international students seeking medical care.
- Immunization requirements:
  https://www.purdue.edu/push/appointments/immunreq.shtml
