October Monthly Meeting!

Resolving Conflicts and Managing Stress

For the October meeting, we are excited to have Dr. Susan Welch and Greg Mallis from the Purdue's Counseling and Psychological Services (CAPS). The presentation will be tailored towards graduate students to include student/professor relationships, student/student relationships, and workplace profession conflict. The speakers have requested that everyone who attends the meeting to fill out and bring the results from the following survey: http://similarminds.com/jung.html

Also, after the meeting we will be having "Coffee and Conversations". The speakers have offered to stay after the designated meeting time to have coffee and tea with us in Amelia's Café. During this time, you will have the opportunity to connect with the other members of your mentoring groups, other GMP members, and to ask the speakers any additional questions.

The RSVP deadline is **Tuesday, October 18 at noon**. The RSVP link is https://engineering.purdue.edu/WIEP/Surveys/GMPrsvp
