

FIRESIDE CHAT WITH BLUE ORIGIN

***Nick Robertson: Vice
President, Engines***

**Join Dr. Bill Crossley, Head of the
School of Aeronautics and
Astronautics, for a conversation
with Blue Origin Engines Vice
President Nick Robertson.**

Blue Origin envisions a future
where millions of people will live
and work in space with a single-
minded purpose: to restore and
sustain Earth, our blue origin.

DATE: October 22, 2025
