

TO OUR FELLOW

GRADUATE STUDENTS

THANK YOU!

2026 GRADUATE STUDENT APPRECIATION WEEK

BECAUSE OF YOUR:

- Extraordinary instruction and mentoring of more than **13,500** undergraduate students
- Advancements in groundbreaking research across more than **50** laboratories, research centers, and institutes
- Novel, high-impact discoveries and innovations

PURDUE ENGINEERING:

- Provided **nine top 10** graduate engineering specialty programs nationally, including **No. 1**-ranked ABE
- Is **No. 1** for all five online master's engineering programs ranked in the U.S.
- Contributed **71%** of Purdue's U.S. patents enabling the university to be ranked **top 5** for five consecutive years
