

How To Access the lectures

AAE395:

<http://boilercast.itap.purdue.edu:8080/ess/portal/section/50cf81e1-13f2-4b06-8da8-561bf7c5a934>

If you opt to use iTunesU, your lecture recordings can also be made accessible by clicking the “BoilerCast File Access” link (and authenticating with Purdue Career Account information) at the following URL.

<http://www.purdue.edu/BoilerCast/>

NOTE:

Users will need to have iTunes installed on their PC in order to access the lecture content.

If iTunes is not already installed, users should receive a prompt to do so after authentication. Administrative privileges may be required on departmental PCs.
