***Specialization/Selective Rules:**

General Rules:

- You may only select one ECE, IE, or STAT courses to fulfill any specialization/selective.
- You may only select one MFET course to fulfill any specialization/selective.
- You may only select one course between ME 315 and 433 to fulfill **any** specialization/selective.

Design:

- AAE 35103 required for Design specialization (offered Fall only)

Propulsion:

- Must take both AAE 438 (Spring only) and AAE 439 (Fall only) for Propulsion specialization.
