

ILS 49500: Research Methods for Rare Books

MWF 1:30–2:20 PM

CRN 24759

Instructors: Adriana Harmeyer and Kristin Leaman

This seminar will introduce students to the exciting world of rare books and the endless research possibilities they provide. The co-instructors will cover the many methods necessary in understanding and successfully researching rare books primarily published between the 15th and 19th centuries.
