

CYBERINFRASTRUCTURE SYMPOSIUM

Poster Session

Purdue Computing for Science: Ethical and Responsible AI in Practice!

11:30 AM - 12:30 PM
DLR 131. Purdue University

OCT
23

Posters may be authored or co-authored by undergraduate or graduate students. Submissions can include early-stage ideas, works in progress, group projects, or class assignments, not only completed research. The best poster will be awarded \$1000.

We look forward to your participation please register today and help shape the future of AI.
