Next

Participant Information

- In the field for “Number Of Teams Participating” please put the number of connected devices you intend to use for this event.
 - We ask that larger groups limit themselves to a maximum of five connected devices.
- Parents and guardians may leave the Number of Educators fields blank.
- Give your best estimate of the number of students in each grade level.

Supporting Documents

- No supporting documents are required for these opportunities.

Application Status

You can check Gateway to view or change the status of your registration at any time. You will receive more information with event details after registrations close.

If something changes and you are no longer able to attend, you are able to Withdraw your application.

If you have any questions about the application or the STEM event itself, please direct them to GRC-Ed-Opportunities@mail.nasa.gov.
