

Direct Links to NASA Johnson Space Center (JSC) Pathways Intern Program Announcements – Fall 2024

Pathways Announcements Open: August 14-21, 2024

- Required Start Date: January 13, 2025. The start date is firm.

How to Apply for a Pathways Internship:

Step 1: Do Your Research – Visit [NASA Pathways Internships](#)

- Click [NASA Pathways Internship: Applicant Guide](#) for information about eligibility requirements, writing your resume, completing the application assessment questionnaires, taking the online USA Hire assessments, avoiding common mistakes, hiring/application FAQs, and more.

Step 2: Prepare Your Application – Visit [Create a USAJOBS Profile](#)

- Click [here](#) for step-by-step instructions for creating a USAJOBS profile, building a resume, and setting notifications to receive alerts for open Pathways announcements.

Step 3: Apply to a Vacancy Announcement - Visit [USAJOBS.gov](#)

- Please note: Announcements will not appear on this link until they open on August 14, 2024.
- Be sure to apply to the vacancy that aligns with BOTH your academic major AND preferred NASA center.

Direct Links to JSC's Pathways Announcements (Technical Position Titles/Academic Majors):

[Student Trainee \(Aerospace Engineering\)](#)

- Aerospace Engineering, Aeronautical Engineering, Astronautical Engineering

[Student Trainee \(Chemical Engineering\)](#)

- Chemistry, Chemical Engineering, Materials Engineering, Materials Science

[Student Trainee \(Civil Engineering\)](#)

- Civil Engineering, Industrial Engineering, Systems Engineering

[Student Trainee \(Computer Engineering\)](#)

- Computer Engineering, Computer Science, Software Engineering

[Student Trainee \(Electrical Engineering\)](#)

- Electrical Engineering, Electronics Engineering, Optical Sciences/Engineering

[Student Trainee \(Engineering Physics\)](#)

- Physics, Engineering Physics, Chemical Physics, Nuclear Engineering

[Student Trainee \(Human Factors Engineering\)](#)

- Biomedical Engineering, Human Factors Engineering, Microbiology

[Student Trainee \(Mathematics and Statistics\)](#)

- Mathematics, Data Science, Computer Science, Computer Engineering, Statistics

[Student Trainee \(Mechanical Engineering\)](#)

- Mechanical Engineering, Engineering Mechanics, Mechatronics, Robotics Engineering

[Student Trainee \(Physical Sciences\)](#)

- Planetary Science, Space Science, Geology, Physics

[Student Trainee \(Engineering\)](#)

- PhD Targeted Academic Majors (All of the Above)

Direct Links to JSC's Pathways Announcements (Business Position Titles/Academic Majors):

[Student Trainee \(Accounting and Budget\)](#)

- Business Administration & Management, Finance, Accounting, Public Administration

[Student Trainee \(Business and Industry\)](#)

- Accounting, Business Administration & Management, Contract Management, Economics, Finance, Industrial Management, Logistics, Management & Quantitative Methods, Marketing, Organizational Management, Procurement, Supply Chain Management

[Student Trainee \(Human Resources\)](#)

- Business, Communications, Human Resources, Industrial/Organizational Psychology, Organizational Development, Organizational Behavior, Sociology
