

## Connect with us!

Supernal is committed to taking a thoughtful and responsible approach to entering the AAM (Advanced Air Mobility) market with a product that meets the high level of safety and reliability in today's air transportation system.

Join our engineers Tuesday, Sept. 5, and Wednesday, Sept. 6, to learn more about how you can help shape the future of transportation.

### Tuesday, September 5

- Supernal information session
- 6:30 p.m. in Armstrong 1021
- Pizza will be served!

### Wednesday, September 6

- Supernal Meet and Greet
- 8 a.m. – Noon in the Armstrong Atrium
- Learn about Supernal

#### **About Supernal:**

Supernal is an Advanced Air Mobility (AAM) company that's developing an electric vertical take-off and landing (eVTOL) vehicle and the ground-to-air ecosystem to support the emerging industry. As part of Hyundai Motor Group (HMG), Supernal is leveraging world-class manufacturing, automation and R&D to make this new, efficient transportation option widely accessible in the coming decades.
