

YOUNG PROFESSIONALS ADVISORY COUNCIL PANEL SESSION

THURSDAY, SEPTEMBER 7TH
6:00PM-7:00PM
ARMS B071

A diverse group of recent Purdue Aero/Astro Engineering alums, YPAC is comprised of engineers currently working at the likes of NASA, Space X, Rolls-Royce, and Boeing. YPAC members will be sharing their post-graduation experiences in a panel discussion and will also be holding a question-and-answer session.
