

CLASS OF 2027

Apply now to the Defense Civilian Training Corps!

The DCTC pilot program offers a unique opportunity to combine your passion for business, law, policy, or Science, Technology, Engineering, and Mathematics (STEM) with real-world experiences that can jump-start your career before you graduate.

DCTC Benefits

- Full tuition scholarship
- \$2K stipend/month of scholarship
- Hands-on summer internship
- Guaranteed employment in DoD
- Security clearance

Be part of the DCTC team

As a DCTC scholar, you'll join a multidisciplinary cohort, participate in a DoD summer internship project, and gain a security clearance.

Path to Employment

We will get you on a path with the skills you need to adapt to a fast-changing world in a guaranteed job with the Department of Defense.

Make a Difference

Answer the call to service by preparing for a future where you can make your biggest impact as a civilian supporting national security.

WE NEED YOUR HELP TO BUILD NATIONAL SECURITY SOLUTIONS

The Defense Civilian Training Corps gave me the opportunity to immerse myself in an experience that not only showed me how much goes into protecting our country but also gave me a sense of pride in contributing to those who protect us daily.
