

Interdisciplinary Undergraduate Research Opportunity

- **Mechanical Engineering Faculty searching AAE support**
- **What:** Investigation of supersonic expansion of zeotropic refrigerants with oil into two-phase region
 - *Composition shift, metastability & choked flow*
- **How:** \$16/hr., up to 10 hrs./week for Fall 2023
- **When:** Immediate start possible
- **Who:** Prof. Riley B. Barta, bartar@purdue.edu
