

**National Student
Leadership Conference**

JOB OPENING:

Biotechnology Team Advisor (TA)

About the National Student Leadership Conference:

The NSLC Biotechnology Program is a 9-day conference at the University of California, Berkeley for high school students interested in biotechnology. It provides skills training and hands-on experience to expose students to technologies used in medicine, energy production, agriculture, and bioengineering. We are seeking individuals with relevant academic and leadership experience to work with high school students and assist with residential life.

The Role:

Team Advisors guide students through their NSLC experience. Each TA is responsible for a small group of 12-16 students. TAs arrive on-site 5 days before student arrival to participate in a mandatory 4-day orientation & training. This training runs from 9:00 AM - 6:00 PM daily. Following training, TAs will work for 9-day sessions with a 3-day break in between. TAs work very long days and are expected to be ready to assist students at any point during the program. A typical day lasts from 9:00 AM - 10:00 PM.

Responsibilities:

- Lead small group discussions and debriefings
- Teach academic and leadership sessions, as well as set-up and break-down activities
- Assist administrative staff, professors, and leadership facilitators with program components
- Serve as a chaperone during off-campus trips and evening social activities
- Reside in the dormitory on the same floors as students, serving as a Resident Advisor

Qualifications:

- TAs are generally current college sophomores – seniors. Current freshmen are considered for our Assistant Team Advisor (ATA) position.
- NSLC has a primary focus on leadership development. Applicants should have leadership experience and/or training. Our programs include TA-led sessions that require appropriate educational backgrounds and work/volunteer/intern experience

Compensation:

TAs will be paid \$900 at the end of each session. The NSLC pays for room & board, meals during session (most of which are eaten in the dining hall on campus), and transportation to and from the conference.
