Career Opportunity – Kentucky and Ohio

Are you looking to move into a new position? If so, check out the latest posting with Cargill below. Career Marketplace offers a great feature that allows you to receive automatic e-mail notifications of new openings that match your interests. To receive these notifications, you need to set up your profile in Career Marketplace as outlined below:

1. Go to [www.cargill.com/careers](http://www.cargill.com/careers) and type in the key words, or location fields under "Search Jobs"
2. Choose an opening and click “Apply Now” then "Sign-In" and select "Create/update your profile"
3. On the bottom of the screen click on "Create new account or returning user"

Website will then walk you through the process for creating your profile and provide you with additional information.
