Vineyard & Winery Assistant

Daniel’s Vineyard is a family-owned, full production winery and 20-acre estate vineyard. We are seeking a passionate individual who has a positive attitude and strong work ethic to help grow grapes and make wine! The full-time position will support the efforts of viticulture and winemaking by working closely with vineyard staff and winemaker, following the process from vine to bottle to ensure the highest quality wines.

Viticulture Responsibilities:

- Soil, leaf, fruit sampling and vineyard ecology assessments
- Field Scouting for diseases, pests and weeds
- Vineyard Equipment Maintenance
- Manage Spray Schedule and maintain detailed records of daily operations
- Supervise vineyard workers

Winery Responsibilities:

- Maintain overall cleanliness and sanitation of production facility
- Operate pumps and other equipment
- Set up and operate bottling/canning line
- Assist with data entry and basic lab analysis
- Stocking and Maintaining Inventory

Other Duties as Assigned

Preferred Qualifications:

- Previous vineyard experience or education
- Background in agriculture or other related fields.
- Beverage production experience (Winery, Brewery, Distillery).
- Forklift and tractor experience.
- A strong desire to learn and develop professionally in the wine industry is a must.

Position Requirements:

- Detailed oriented work style
- Self-starter and ability to budget your time independently
- Able to work outdoors in varying weather and terrain conditions
- Valid driver’s license and clean driving record
- Extensive walking, standing for long periods and ability to occasionally lift 50lbs.
- Candidates should have a flexible schedule and a reliable form of transportation.

Interested candidates should email their Cover Letter, Resume, and 3 Professional References to: hr@danielsvineyard.com
