

Farm Laborer/Equipment Operator

Employer: AgriVista Farms

Job Type: Full Time

Location: Rensselaer, Indiana

Description: AgriVista Farms is owned and operated by two brothers Scott and Darren Harper. It is located in Northwest Indiana (about 60 miles north of Lafayette IN.) We farm 5,000 acres of corn and soybeans. We are looking to hire someone who loves farming as much as we do. In this role you would assist in all day to day operations and no two days will be the same. Candidates can expect to:

- Operate equipment including semi-trucks, tractors, combines, and tillage tools
- Perform mechanical work including oil changes, machine maintenance, implement repairs, and welding
- Maintain organized and clean work areas
- Work well with others and maintain a positive attitude

What We Offer:

- Competitive salary
- Retirement Benefits
- Ability to transition into a management/ownership position
