

Job Title: Full-Time Farm Help

Location: Fowler, IN

Job Description:

We are a busy, dynamic farm operation in Fowler, IN, seeking dedicated and skilled full-time farm help to join our team. A part-time position may be considered for seniors until graduation. Our farm activities include row cropping, excavation, and tiling.

Key Responsibilities:

- **Machinery Operation:** Operate and maintain large, modern farm machinery, including tractors, combines, and semi-trucks. Experience with these vehicles is crucial.
- **Field Work:** Assist with planting, cultivating, and harvesting crops. Ability to work long hours during peak planting and harvest seasons is required.
- **Excavation and Tiling:** Participate in excavation and tiling projects as needed.
- **Maintenance:** Perform routine maintenance and servicing of farm equipment. Mechanical ability is important for diagnosing and fixing minor issues.
- **Problem-Solving:** Address and resolve operational problems as they arise with a proactive and solution-oriented approach.

Qualifications:

- **Farm Background:** Previous experience working on a farm is required.
- **Machinery Experience:** Proficiency in operating large, modern agricultural machinery and semi-trucks is essential.
- **CDL:** A Class A CDL is beneficial but not mandatory.
- **Mechanical Skills:** Ability to service and maintain equipment, with some mechanical aptitude.
- **Work Ethic:** Willingness to work long hours, particularly during planting and harvest seasons.
- **Problem-Solving Attitude:** Strong problem-solving skills and a proactive approach to tasks and challenges.

Compensation:

- **Pay:** Competitive and based on experience level.

If you are a motivated individual with a strong farm background and relevant skills, we encourage you to apply.
