**Subject:** TA positions in Mathematics for Fall 2024  
**Date:** Monday, April 29, 2024 3:24:22 PM

---

Dear all,

I am the director of Graduate Teaching for Mathematics and supervise and hire Graduate Teaching Assistants (TAs) for our department. We expect to have openings in Fall 2024 for TAs. If any of your graduate students are interested in applying for TA positions I would be grateful if you could direct them to the online application form. The TAs we hire teach recitation classes. We offer training and support to the TAs we hire.

If you are not the correct person for this request I apologize for disturbing you.

Regards,

Dr. Dominic Naughton
