DNR Division of Water has 2 hydraulic engineer positions open. One of the positions is currently posted on the state job back for a few weeks. If you are interested and the posting is no longer visible, reach out to Moumita Mukherjee (contact information below).

The engineers in our Engineering Services Center (ESC) work with a variety of projects, including review of construction in the floodway permits, development of floodplain / floodway mapping, review of Letter of Map Change applications for FEMA.

Here is the link: https://workforindiana.in.gov/job-invite/420293 for a vacancy of 2 hydraulic engineers in ESC. Starting salary for this position is $59,800. This posting is also up on Purdue general job board and on Lyle School of Civil Engineering job board at Purdue

Requisition ID# in SuccessFactors is 420293.

If you come across students, please don’t hesitate to send my info to them. Your help on this is much appreciated!

Thanks!
