Good Afternoon,

I am an alum of Purdue's ABE program (B.S. '14) and currently a Research and Development Scientist for Ninth Avenue Foods in Columbus, IN. We are looking for a Research and Development Technician. I wanted to reach out to see if there are any ABE students looking for employment. I have attached the job description that was posted on Indeed. If there are any students who are interested, they can apply on Indeed or contact me directly using the information in my signature.

I wasn't sure who the best contact for this would be. If there is someone else who could help disseminate the information, please feel free to forward this email.

Benefits and pay were not listed in the posting, but they include the following.

- \$21-\$24 per hour
- 401(k)
- 401(k) matching
- Dental insurance
- Employee assistance program
- Flexible spending account
- Health insurance
- Life insurance
- Paid time off
- Parental leave
- Professional development assistance
- Tuition reimbursement
- Vision insurance

Thank you,
Tressie
