Are You Ready? to embrace the true grit of modern agriculture and make your mark on a modern farm? As a Farm Operator, you'll be part of a great team that enjoys the challenge of harvesting a bountiful crop. If you're no stranger to hard work and eager to tackle nature's obstacles head-on, then this role was made for you! This isn't your granddad's farmstead. The success of a farm like WCI is centered on teamwork, logistics, and strategy as much as it is agronomics and equipment. We need men and women who are interested in contributing their ambitions, ideas, and sweat to accomplish the job better than we ever have before!

Job Summary:
As a Team Member at WCI you'll be at the forefront of the battle, ensuring the smooth and efficient operation of trucks, equipment, and technology that do the job better and faster than ever. Operating positions include Combine Operator, Grain Cart Operator, Semi Driver, Tillage Operator, Rail Loader, Grain Handling Operator, Excavator/Dozer Operator, Mower Operator, and much more.

Responsibilities May Include:

1. Operate and maintain large modern farm equipment, such as tractors, combines, harvesters, rail movers, semi-trucks, grain dryers, excavators, bulldozers, and many other pieces of farming and excavating machinery.
2. Perform routine inspections and preventative maintenance on machinery to ensure proper functioning and safety.
3. Monitor equipment performance and promptly address any operational issues to minimize downtime and maximize efficiency.
4. Ensure compliance with safety protocols and best practices to maintain a safe working environment.
5. Perform manual labor such as scooping, sweeping, vacuuming, loading, and cleaning grain. Clean, powerwash, scrub, wax farm machinery and trucks.
6. Load carts, trucks, rail cars, and hoppers with grain from field operations and grain handling facilities.
7. Collaborate with fellow team members to coordinate tasks and accomplish daily objectives.

Qualifications:

Grit and Determination: Your determination and resilience will be your greatest assets as you navigate the unpredictable nature of farming.

License to Drive: A valid driver's license is a must, and your mastery of operating farm equipment will be crucial to your success.

Battle-Tested Skills: Prior experience in farming, driving, or excavating will set you apart, giving you the confidence to tackle any challenge that arises.

Realistic Outlook: Farming is rewarding, but it demands hard work and dedication. Your practical approach and willingness to tackle both victories and setbacks will be your best weapon.

Integrity in Action: Our values run deep, and we seek an individual who embodies honesty, integrity, and a commitment to doing what's right.

PAY AND BENEFITS:

WE PAY FOR EXPERIENCE! Join our team and enjoy top-tier compensation and benefits. We value your skills and dedication, offering a competitive package tailored to your success. Thrive with health insurance stipend, retirement match, and more perks. Grow professionally with us and make a difference. Discover the rewards of excellence!

Are you ready to dig deep into the grit of farming, where the work is as real as the rewards? Join our dedicated team and seize the opportunity to be part of a unique team. Embrace the realities of farming with us, and let your passion and dedication forge a future of growth and success.

If you have these skills, we need you to apply:

-Experience operating combines, tractors, sprayers, spreaders
-Driving Semis, CDL, tandem, manual transmissions, large vehicles
-Construction equipment, excavators, bulldozers, skid steers, scrapers, tile plows
-Auto/Diesel Mechanic, Electrician, Surveying
