Full Time and/or Internship: Mitzner Farms/Mitzner Meats, LLC in Wanatah, IN

Job Description

Mitzner Farms is a family-owned farm and beef production business located an hour and a half north of campus in Wanatah, Indiana (10 minutes east of Valparaiso). We raise corn and soybeans, custom apply fertilizer and pesticides, and sell individualized packaged meat to consumers. Our only full-time employees are the two owners, but we’re looking to hire an additional full-time employee or a summer intern. Everyone that works here is expected to help wherever required. There is typically a lot of variety in day-to-day activities.

Responsibilities are seasonal and include some of the following:

- Equipment maintenance (greasing, oil changes, minor repairs)
- Handling cattle/assisting with calving
- Equipment operation (planting soybeans, spreading fertilizer, spraying)
- Truck driving (tendering fertilizer to the field, taking grain to the elevator)
- Facility maintenance (mowing grass, cleaning and repair of buildings)
- Welding experience preferred, but not required.

We are looking for someone with a background in agriculture, good problem-solving skills, and willingness to learn. Applicants must have a valid driver’s license and an insurable driving record, as determined by our farm insurance policy. This job can be physically demanding at times. Applicant should also be able to lift at least 50 pounds. This job can have long hours during the busiest seasons, spring and fall, but we can be flexible with hours in the off seasons.

To apply, please send resume and references to mitznerfarms@hotmail.com or inquire to Jeff at 219-716-2721.

More information about our business can be found at www.mitznerfarms.com.
