Creighton Brothers, LLC
Assistant Quality Assurance Manager

Become part of the team and the Creighton Brothers’ culture.

Our QA department is critically important to the operation of our plant and assuring we continue being industry leaders.

**Job Title**  
Assistant Quality Assurance Manager

**Salary Range**  
Competitive salary based on qualifications and experience. Benefits include 401K Match & 100% Vested as soon as you enroll. Medical, Dental & Vision Insurance. Paid vacation time. Profit sharing. Employee Referral Program. Employee Assistance Program. Safety drawings and other company events.

**Education:**  
BS in ANSC, Chemistry, Biology, Biochemistry, Microbiology or Food Science would all be acceptable. Primarily we want candidates that exhibit knowledge of the sciences.

**How to apply**  
Applications are available online at [www.creightonbrothersllc.com](http://www.creightonbrothersllc.com) or in person at our main office. Completed applications with a cover letter and resume can be dropped off in person at our main office or emailed to Mary@creightonbrothersllc.com. We are beginning the search now and will continue searching for candidates until the position is filled.

**Other requirements:**
- An understanding of science (chemistry, biology, microbiology)
- Good writing skills to write procedures, corrective actions, etc.
- Someone willing to leave the lab setting and conduct manual tasks; scrub up a piece of equipment, take apart a valve to inspect, etc.
- Willing to be trained in food safety, HACCP, SQF and review / update our plans.
- Conduct routine sampling, testing and calibrations
- Fill-in for others in the department if they are absent / on vacation
- Willing to work an occasional weekend.
- Someone that can make food safety / food quality decisions in the absence of the QA Manager.
