

## **Humane Society of Clinton County – part time employment!!!**

The Humane Society of Clinton County in Frankfort, IN is looking for part-time employees. General daily duties would include walking dogs, cleaning kennels, cleaning facilities, caring for cats and cleaning cages, feeding and watering animals, restraining animals for vaccines, exams, blood draws, etc, transporting animals to and from the vet in humane society vehicles and maybe some front desk reception as well. Shifts are 8:30a-12pm Sunday through Monday, 1-4pm Monday, Tuesday, Thurs, Saturday and 2-6 pm Fridays. It's a bit of a commute, but would be great dog and cat handling experience for students. Anyone interested can call or email me at the number and email below!

Thank you!
