Musselman Brothers Inc. is a 4th generation family farm located in Central Northern Indiana. We produce corn, soybeans and wheat and contract feed hogs. Another larger portion of our business is custom farming as well as seed sales. With efficiency one of our main priorities, we utilize some of the latest technology in our ever-changing industry. We pride ourselves on doing business with integrity and working for future generations.

We are seeking to hire a Full-time Farm Operator/Shop Manager. We intend to hire and retain a high-quality employee to work alongside us not just for us.

Qualifications:
- Ag background is a must!
- Self-motivated and strong work ethic
- Experience operating machinery, semis and equipment
- Mechanical ability/experience
- Leader as well as a team player
- Willingness to learn

Areas of Specialization:
- Shop Maintenance
- Planter Operation
- Sprayer Operator
- Seed Sales
- Semi Driving

(We are looking for someone who can fulfill at least two of these areas or learn to!)

Compensations will be negotiated based on experience and qualifications.
