Purdue Animal Science

Assist in data collection on sow research trial
During break 12 to 42 hours per week –
$ 9.00 an hour
Contact Allan Schinckel and Francisco Cabezon fcbazon@purdue.edu
Dr Schinckel, aschinck@purdue.edu

Esp on Holidays – dec 28 29 – 30

Should have their own transportation to the farm – and be responsible

The research REALLY requires 2 people to be efficient – 3 people is a little faster –

But one person cannot stay on schedule --
