

Engineering Perfect Seed

PRODUCTION TECHNICIAN Plant/Farm Operations

Total Seed Production is a corn and soybean seed production facility located in Tipton, IN. We are currently looking for motivated individuals to work in our plant and farm operations. In this position you will be responsible for ensuring a quality product in a safe and efficient manner. We are growing and want people who are looking for a challenging and rewarding opportunity to be involved in agriculture. If you are looking for that out of the ordinary career opportunity where you can have a role in feeding the world then TSP is the place for you!

Qualifications:

- Minimum of High School Diploma/GED
- Previous farm experience preferred
- Previous machine operation experience a plus
- Ability to multi-task in a fast-paced environment
- Basic mechanical/maintenance skills required
- Ability to work in the different seasons and a variety of weather conditions
- Variety in tasks and jobs
- Flexibility in hours with overtime available
- Ability to work as part of a team
- Adheres to and is committed to following all safety policies and practices

Total Seed Production offers the following benefits:

- Full Time Employment
- Paid Personal, Holiday, & Vacation Days
- Health, Life, Vision and Dental Insurance
- 401K Retirement Program
- Stable & Growing Organization
