Subject: Tredence Inc. - Consulting Associate Position

Hello,

Tredence Inc. is looking for a full time associate who is a recent STEM graduate. This is a consulting position dealing with data analytics. I have attached the job description which includes salary information, and a direct contact for interested applicants. Further, this position will soon be active in MyCCO with the job ID# 858297. Please share with any recent graduates that you know may still be looking for a position.

Have a great holiday weekend!

Best,

Stephen L Roach
