

# CEGSAC 2018-2019 Meeting Minutes

---

**CEGSAC Callout**

**9/6/2018**

The callout started around 6:05pm in room HAMP 3153 with pizza and beverages.

Srinath, our Co-President, welcomed everyone to the meeting and mention the three major committees:

- Professional Development
- Cultural & Community Outreach
- Sports, Health & Wellness

Then Emma, our Co-President, talked about our planned events for the 2018-19 Academic Year:

- Civil Engineering Symposium (Spring 2019)
- CGESAC Bytes (Fall 2018)
  - Based on giving a 20-minute presentation to undergrad students.
- Mentorship Pilot Program (Fall 2018 / Spring 2019)
  - Lisa talked more about this initiative for the Civil Engineering Department

Then Srinath and Emma talked about being involved in a committee and mentioned that a student doesn't have to be in a specific committee to be involved in a specific event.

They also talked about how to join a committee and the requirements to be a chair in a committee. The plan is to have six students on each committee.

The Callout ended about 6:25pm with more pizza and getting to know the new students and members.
