

Attention Graduating Engineers!

The Purdue Society of Professional Engineers

Presents

The Order of the Engineer: Engineers Ring Ceremony

The Order of the Engineer is a solemn obligation to oneself to uphold devotion to the standards and the dignity of the engineering profession. It is an obligation to turn to practical use the principles of science and the means of technology...to serve humanity by making the best use of Earth's precious wealth.

December engineering graduates, join your peers and other graduate engineers for the Order of the Engineer Ceremony.

Sunday, December 6
2:00 PM
Stewart Center 218

Receive a ring on the small finger of your working hand and a certificate as symbols of your pledge.

The keynote speaker will be Rear Admiral Thomas A. Dames, Ph.D., P.E., Ret. U.S. Naval Civil Engineering Corps. He will discuss the profession and the importance of the ethics and professionalism which the ring signifies. The ceremony will last about forty minutes and is open to the public.
