Lecture exchange

Purdue side considers a one day (three hours) lecture at Osaka University.

Osaka side considers similar one at Purdue University.

The dates will be adjusted for the fiscal year 2014 semester.

ICOPS (June 2014 in DC)

We will consider joint papers, invited talks for this conference

Sunahara + Graduate Student visit to Purdue within 2013 fiscal year by next Mar.

We agreed to write an EOS paper during a two week stay at Purdue.

Colliding Plasma paper

SS Harilal mentioned a possibility to write a joint paper on the colliding plasmas within two or three months' time.

Next year we will consider exchange graduate students for a 5 week experiments at either side. In order to make this happen, we will use Polycom TVC system or Skype.
