

Fall 2026 Registration Guide

Chemical Engr. Professional MS Graduate Students

(Important Dates on back)

Registration for Professional MS students is open.

**Registration pauses on April 15 at 5pm and will re-open Monday, April 27, 2026
Check your specific time ticket for day/time you can re-start to register after the pause*

(Register early to assure a seat in your course selections)

Retrieve Registration PIN and check for any holds

- Retrieve your registration PIN at <https://engineering.purdue.edu/BannerPin>

Consult with the Program Manager and/or your existing plan of study

- Contact the Chem Engr PMP Program Manager, Julayne Moser (moser@purdue.edu) to determine if the courses you selected are appropriate or refer to your approved Plan of Study if you have one.

Check your Concentration Program Map – it is your responsibility to assure your course selections follow the [degree concentration map](#) you have selected.

Please contact Julayne Moser (moser@purdue.edu) if you have questions.

Please Note:

- Do not enroll in 60000 level courses that are not listed on the degree concentration maps without prior approval from the PMP Director and the instructor of the course.
- Do not enroll in a course as an elective not listed on the degree concentration map without prior approval from the PMP Director.
- If you are planning to enroll in the Capstone CHE 50300 (CRN: 29623) course, email Julayne Moser (moser@purdue.edu).
- Courses through the Mitch Daniels Sch. of Business (MDSB) – In order to enroll for a business course for Fall 2026 you must send your selections to me via email (moser@purdue.edu)

Please let me know your MDSB course selections by Monday, Aug. 3, 2026.

Adding classes via Scheduling Assistant in *myPurdue*

- The Fall 2026 schedule of classes is available to view in *myPurdue* and you can also check *myPurdue* for any [holds](#) that may prevent you from registering.
- To add your course(s) [locate and use the Scheduling Assistant](#) in *myPurdue*. If you need an override for the course the system will ask you if you'd like to submit a request for approval. Additional instructions on using the Scheduling Assistant are available at [here](#).]

Candidacy (required if you intend to graduate in December 2026)

- To declare candidacy to graduate in December 2026, please send an email request to Julayne Moser at moser@purdue.edu to [confirm your eligibility](#) to enroll as a candidate.
- **Last day to declare Fall 2026 candidacy is September 18, 2026. Please notify Julayne Moser by September 11 in order to allow time to review your record for eligibility.**
- Once your eligibility for candidacy is confirmed, you will be given directions to add this to your Fall registration.

It is your responsibility to check your "Detailed Schedule" in *myPurdue* to confirm that your request has been correctly processed (correct professor, correct amount of credit hours, etc.)
