Air Products and Chemicals Inc.
BSCHE '68

Max C. Downham
Executive Director
International College of Surgeons
BSCHE '58

The Distinguished Engineering Alumni Award is presented to engineering alumni who have distinguished themselves in any field of endeavor that reflects favorably on Purdue University, the engineering profession, or society in general.

In the case of alumni who are engaged in engineering work, their record of accomplishments should indicate a high potential for future growth into positions of increasing responsibility. Normally, only ten awards are made each year.
