

Are you passionate about sustainability? Would you like to learn more about sustainability initiatives in industry?

## The ChE Sustainability Committee

is inviting you to learn more about **Syensqo's** sustainability initiatives and how chemical engineers can move sustainability forward and help save the Earth!

Come and learn from our recent graduates about sustainability at *Syensqo*!

**Madison (Madi) Gordon**

Production Engineer  
Purdue ChE '24

**Nicholas (Nick) Hellgoth**

FFF Industrial Excellence Engineer  
*Purdue ChE '21*

**Wednesday, November 6**  
**3:30-4:20 pm**  
**FRNY B124**
