

The logo is a black and white graphic. It features a large, bold '150' in a sans-serif font. The zero is stylized to contain a silhouette of a factory with three smokestacks. The entire logo is set within a white rectangular banner that is tilted upwards from left to right. This banner is superimposed on a larger background consisting of a dark gray semi-circle at the top and a white semi-circle at the bottom, separated by a thin black line.
