

The logo is a commemorative emblem for Purdue Engineering's 150th anniversary. It features a large, bold, black '150' as the central element. The number '0' is stylized to contain a tan-colored silhouette of the Purdue University campus, specifically showing the three main towers of the Old Main building. Above and below the central text is a tan semi-circular arc. Inside each arc are numerous thin, vertical tan lines of varying heights, creating a sunburst or fan-like effect. The entire design is set against a white background.
