

**CREDC**  
CYBER RESILIENT ENERGY  
DELIVERY CONSORTIUM

**Networking Day at the 2019 CREDC Summer  
Symposium- Wednesday, June 26<sup>th</sup>, 2019**

This year participants are able to reserve dedicated booth space to showcase their organization at the CREDC Summer Symposium. Space could either be used to demonstrate your organizations cyber capabilities or used to network with attendees including CREDC students and faculty to discuss opportunities. Your space will include a 7' X 2" skirted table with chair only for \$45. This is provided on a cost recovery basis. **Hurry, space is limited!**

A Networking Fair will also be hosted from 3:15pm-5:15pm. In addition, a Poster and Networking Reception will continue into the evening from 5:30pm-7:30pm.

For more information or to register your booth space, please email Linda Steinberg, Coordinator of Research Programs at [gholson@illinois.edu](mailto:gholson@illinois.edu). For more information about the 2019 CREDC Summer Symposium, please visit our [website](#).
