Qualcomm Research is excited to announce the 2020 Qualcomm Innovation Fellowship which promotes Qualcomm’s core values of innovation, execution and teamwork.

**Application Areas for Proposals**
- Advanced Semiconductor Electronics
- Advances in Communication Techniques and Theory
- Autonomous Driving
- Machine Learning
- Multimedia Computing
- Processor Architecture and Implementation
- Security System Design
- Semiconductor Test, Quality and Yield Learning

**Awards**
- $100,000 Fellowship per team
- Collaborate with Qualcomm Researchers
- Travel to Qualcomm Facilities

**Application Process**
Each team must submit the following items online:
- One page abstract
- Faculty recommending the innovation
- CV of student team members

See [QIF website](https://www.qualcomm.com/innovationfellowship) for more details about the program.

**Application Deadline**
December 9, 2019 (10 AM PST)

**Announcement of Finalists**
March 2020

**Finalists’ Presentations**
April 2020

**Announcement of Winners**
May 2020

**QIF Winners’ Day**
October 2020

**Participating Universities**

**U.S.A.**
California Institute of Technology
Carnegie Mellon University
Columbia University
Cornell University
Georgia Institute of Technology
Massachusetts Institute of Technology
Princeton University
Purdue University
Rutgers University
Stanford University
UC Berkeley
UC Los Angeles
UC San Diego
UC Santa Barbara
University of Illinois, Urbana-Champaign
University of Maryland, College Park
University of Michigan
University of Southern California
University of Texas at Austin
University of Washington
University of Wisconsin-Madison
Virginia Tech

**Canada**
University of Montreal
University of Toronto
