

FELLOWSHIP & GRANT WRITING SKILLS

How to Avoid Common Fellowship Application Mistakes 9/9 @ 12:30 p.m.

Learn how to avoid common mistakes that graduate students & postdocs make in their applications. This workshop will cover the difference between academic journal writing, fellowship writing, & how you can make a good impression with reviewers.

Letters of Recommendation for Fellowships 9/30 & 10/29 @ 11:30 a.m.

Grad students, postdocs, and faculty are encouraged to attend. This workshop provides templates and strategies for both writing and requesting letters of recommendation for fellowship applications.

How to Condense a Draft to Meet Page Requirements 10/7 @ 12:30 p.m.

This workshop will provide a strategy for how to discern what content is essential and what is not, as well as how to keep details while shortening your draft. The content presented can be applied to various types of research-based funding documents regardless of your academic discipline.
