

How to Write Clearly: Sentences & Paragraphs

weekly workshops for international students

*Spring 2023
Workshops*

Fridays 12-1:00pm

www.purdue.edu/place
email: place@purdue.edu
For details and registration

*Workshops are open to all international
students. Registration required.*

In this workshop series, you will learn how you can manage language more effectively in your academic writing. Each workshop will teach a different topic, skill, or strategy to help you to write more clearly, including active and passive voice, concision and precision, flow, information weight, organization, topic sentences, and transitions. Attendees will have an option to schedule an individual consultation with an instructor.
