

MARCH 22
10:00-5:00 PM ET

SPRING BOILERMAKER CIRCUIT CAREER FAIR

DESIGN STUDIO @ MSEE

The Boilermaker Circuit career fair is an exclusive opportunity for companies to connect one-on-one with electrical and computer engineering students.

Click [this link](#) for further event details.

4 Easy Steps to Get Started

- 1) **Sign up on InternX** & click "register" in the Fairs tab.
- 2) **Explore jobs** that companies will be recruiting for.
- 3) **Send messages to recruiters** on the job board if you want to express personalized interest.
- 4) **Locate companies** by clicking on the fair map to see which companies will be attending and which booth they will be at.

Questions? Message IX through the Intercom green button in the lower right hand corner of the website, or email contact@theinternx.com.
