Department of Electrical and Computer Engineering

Assistant Professor

Tenure Track

Fall 2024 (August 2024)

Job no: 532141

The Department of Electrical and Computer Engineering at California State University, Fresno (Fresno State) seeks to fill a tenure-track faculty position at the Assistant Professor level in the areas of **RF and microwave electronics, radar, and antennas**. The person appointed to the position will carry out academic duties that include teaching undergraduate and graduate courses and laboratories, conducting scholarly activities and applied research, mentoring undergraduate and graduate students, and engaging in service-related activities at all levels of the university, while furthering the department's efforts to provide an equitable and inclusive learning environment.

To ensure full consideration, applicants should submit all application materials by November 15, 2023.

If you have any questions, please contact the search committee chair, Dr. Aaron Stillmaker, astillmaker@csufresno.edu
