

MIT Lincoln Laboratory

WHERE INNOVATION IS THE MISSION >>

WWW.LL.MIT.EDU

On-Campus Recruiting at: **Purdue University**

Career Fair: Wednesday, September 14, 2016 Industrial Roundtable

MIT Lincoln Laboratory offers scientists and engineers the opportunity to work on challenging problems critical to national security. A Department of Defense federally funded research and development center (FFRDC), Lincoln Laboratory has a focused commitment to research and development, with an emphasis on building prototypes and demonstrating operational systems under live test conditions that meet real-world requirements.

Three areas constitute the core of the work performed at Lincoln Laboratory: sensors, information extraction (signal processing and embedded computing), and communications, all supported by a broad research base in advanced electronics.

If you are pursuing a BS/MS/PhD in any of the following majors, or a comparable scientific or technical field, our technical staff would like to meet you.

- **Electrical Engineering**
- **Computer Science**
- **Physics**
- **Mathematics**
- **Materials Science**
- **Mechanical Engineering**
- **Aeronautics/Astronautics**
- **Biology/Biochemistry**

To be considered, please submit your resume to MIT Lincoln Laboratory's website www.ll.mit.edu/college

- Click on Search for On-Campus Activities.
- In the Keywords field enter **Purdue** and click **View Jobs**.
- Select your campus from the answer set.
- A new screen will appear. Click **Apply** and submit your information.

Also, please apply to specific positions via our website.

MIT Lincoln Laboratory's fundamental mission is to apply science and advanced technology to critical problems of national security. To ensure excellence in the fulfillment of this mission, the Laboratory is committed to fostering an environment that embraces and leverages diversity of thought, culture, and experience. MIT Lincoln Laboratory is an Equal Employment Opportunity (EEO) employer. All qualified applicants will receive consideration for employment and will not be discriminated against on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, age, veteran status, disability status, or genetic information. **Due to the unique nature of our work, we require U.S. citizenship.**
