Masters Program Milestones

During your FIRST Semester:

• Satisfy **all admission conditions** (such as presentation of your final transcript and degree certificate to the Graduate School in Young Hall).

• Complete the “Right to Know” powerpoint training prior to registering for the first semester.

• Select a major professor and an advisory committee.

• Submit a plan of study (**prior to registration for second semester**).

• Complete the CITI Responsible Conduct of Research course at [https://www.citiprogram.org/](https://www.citiprogram.org/) selecting the Physical Science Module (**prior to registration for second semester**)

• Plan to satisfy the EE 694 seminar requirement. If you do not satisfy this requirement in the first semester, do so in the earliest semester possible.
