

MSECE Thesis and Final Examination Checklist

Complete?	Step (<i>See below for details</i>)	Timing
<input type="checkbox"/>	1. Schedule the final examination with your advisory committee members.	At least 3 weeks before the desired date of the final exam.
<input type="checkbox"/>	2. Reserve a room for the final examination.	After #1 is complete.
<input type="checkbox"/>	3. Submit Form 8 in myPurdue to officially schedule the final examination at least 2-3 weeks before the exam date.	At least 2-3 weeks before the exam date.
<input type="checkbox"/>	4. Schedule a thesis format appointment with the Thesis Office. This should be done when the Form 8 is submitted/approved OR a minimum of 2 weeks prior to depositing the final thesis.	When #3 is complete OR a minimum of 2 weeks prior to depositing the final thesis.
<input type="checkbox"/>	5. Deliver a copy of the thesis to all committee members at least two weeks before the final examination.	At least 2 weeks before the final examination.
<input type="checkbox"/>	6. Following your final examination, submit the Thesis Acceptance Form (Form 9) through myPurdue.	After final examination.
<input type="checkbox"/>	7. Deposit your thesis.	After #6 is complete.

Step 1: Schedule your final examination with your advisory committee members.

At least 3 weeks before the desired date of the final examination, consult with all the members of your advisory committee to find a suitable date and time to hold the examination. Your examination must be held on the West Lafayette Purdue Campus or may, with approval of your advisory committee, be held virtually.

Final examination committee members: The final examination committee is typically the student's advisory committee. However, the Dean of the Office of the Vice Provost for Graduate Students and Postdoctoral Scholars ([OGSPS](#)) reserves the right to appoint additional committee members.

Final examination timing:

- The final examination must be completed before the semester deadline (approximately one week before the last day of classes), but we strongly recommend you do not wait until this late date. See the deadlines here: [Graduation dates and thesis deadlines](#)

- If you are registered for **Exam Only**, your final examination must be completed by the eighth week of classes in Fall or Spring or by the sixth week of summer session.

Step 2: Reserve a room for the final examination.

Once you have established the date of your final examination, reserve a room by following the instructions below.

West Lafayette Students:

1. Go to the [Resource Allocation Tool](#).
2. Enter the desired date and select a room.
3. Click **View Calendar**.
4. Scroll down to see the calendar.
5. After confirming the availability of the room, select **Request Reservation** in the left-hand navigation.
6. Select the room and enter a date and time; click **Continue**.
7. In the **Select an Administrator** list, select Elisheba Van Winkle.
8. Select a reason for the reservation (thesis defense) and then click **Request Reservation**.
 - You will receive an email confirmation.

If you are unable to reserve a room using the instructions above, send the request by email to Elisheba Van Winkle (vanwinke@purdue.edu).

On the day of the exam: If the room is locked, see an area secretary for a key. If the area secretary is not available, see the ECE Graduate Office (MSEE 140).

Indianapolis Students: Go to [this webpage](#) and follow the instructions to reserve a space.

Note the following:

- **SL174A**, the ECE departmental conference room, is the preferred room (listed under **Departmental Conference Rooms** on the webpage).
- Please email the listed contact for this room to reserve the space.
- Contact Brian King (king360@purdue.edu) if you need additional support.

Step 3: Submit Form 8 in myPurdue to officially schedule the final examination and submit an abstract.

Follow these steps to submit Form 8 and your abstract:

1. Log into [myPurdue](#) and click **Graduate Plan of Study** on the **Graduate Students** card.
2. Complete and submit the Form 8.
 - This request requires approvals from the Graduate Office, the chair of your advisory committee, and the [OGSPS](#).

- Complete this step **at least 2-3 weeks before the exam date.**
- 3. At least two weeks before the exam date, send an abstract (250 words or less) of the thesis research clearly defining the problem and its significance to Lacey Siefers (lsiefers@purdue.edu) in the ECE Graduate Office.

Late requests: Please be aware that late requests to schedule your final examination do not allow sufficient time to process your request and adequately publicize your examination date. Any requests to schedule a final examination less than three weeks in advance must be approved by Lacey Siefers and will be approved only in exceptional circumstances.

Final examination posting: The time and location of the final examination will be posted on the [ECE website](#). University regulations permit visitors to attend the final examination. Such visitors are permitted to ask questions of the candidate after having been recognized by the major professor, but they may not be present while the committee deliberates on its decision.

Results: The advisory committee will report the results of the final examination through the OGSPS Web Database. No more than one dissenting vote is acceptable in certifying the candidate to receive the MSEE degree. If the final examination is unsatisfactory, at least one semester or summer session must elapse before the final examination is repeated.

Step 4: Schedule a thesis format appointment with the Thesis Office.

This review is to ensure that the thesis or dissertation is in the correct format **prior to the defense** and for future publication. **Content changes can still be made to this document at the student and department's discretion up until the final thesis submission deadline.**

This should be done when the Form 8 is submitted/approved OR a minimum of 2 weeks prior to depositing the final thesis. See the links below.

Useful links from OGSPS:

 - [Graduation dates and thesis deadlines](#)

Step 5: Deliver a copy of your thesis to all committee members at least two weeks before the exam.

Preparing your thesis: Before beginning to write your thesis, you are strongly advised to review the information here: [Records and Thesis Resources](#)

Templates: You must use the LaTeX (recommended) or MS Word [templates](#) that the [OGSPS](#) provides.

Step 6: Following your final examination, submit the Thesis Acceptance Form (Form 9) through myPurdue.

Follow these steps to submit Form 9:

1. Log into [myPurdue](#) and go to the **Plan of Study Generator** under the **Academics** tab.
2. Complete and submit for Form 9.

What happens next: Once you have submitted the Form 9, the Chair and committee members will be asked to approve the thesis. Be sure to discuss with your major professor whether your thesis should be confidential prior to submitting the request or if there will be a delay in the publication.

Your major professor will certify that they have used [iThenticate](#) software to check your thesis for plagiarism in the electronic Thesis Acceptance Form. They will also confirm confidentiality or **Embargo** (delayed publication of the thesis) if you have marked these.

Embargo and confidentiality: Be sure to discuss with your major professor whether your thesis should be confidential prior to submitting the request or if there will be a delay in the publication.

Your major professor will certify that they have used [iThenticate](#) software to check your thesis for plagiarism in the electronic Thesis Acceptance Form. They will also confirm confidentiality or **Embargo** (delayed publication of the thesis) if you have marked these.

Students should consider an embargo over confidentiality in all cases. An embargo is commonly used when applying for patents, pending publications, or when proprietary rights are involved.

Confidentiality should only be used with ITAR/Export controlled or confidential sponsored information is included in the thesis. Indefinite confidentiality can only be requested when there is contract information on file with Sponsored Program Services. All indefinite requests will be subject to approval by the SPS office. All confidentiality requests will also be reviewed by Thesis Office staff to ensure this program is being utilized properly.

Step 7: Deposit your thesis.

Follow the instructions here to deposit your thesis: [Thesis Requirements](#)

Thesis deposit time limit policy: Effective Fall 2020, students are required to deposit their theses and dissertations within three consecutive sessions of receiving a decision of PASS on their final examination (including the session in which the final examination was passed). The thesis or dissertation must be deposited no later than the end of the semester Deposit Deadline of the third consecutive session for full consideration of the sought degree. For example, a student who passes the final examination in a fall session has through the end of the semester Deposit Deadline of the following summer to deposit. To uphold the integrity of the defended research, if a student is unable to deposit their thesis or dissertation within three sessions, they must re-defend their research and deposit within the session they receive the decision of PASS on the second final examination to be conferred the degree.
