A photograph of the interior of the Purdue Stewart Center. The space is a large, modern atrium with a high ceiling and large windows. In the foreground, a man and a woman are sitting on a large, round, wooden coffee table. The man is wearing a white shirt and tie, and the woman is wearing a dark dress. They are both looking at a laptop. In the background, there are more wooden coffee tables and a staircase. A blue speech bubble with white text is overlaid on the right side of the image.
