
JOB POSTING

ELECTRONICS TECHNICIAN

DEPARTMENT	:	Operations
REPORTS TO	:	Plant or Maintenance Manager
LOCATION	:	Decatur, IN
FLSA STATUS	:	Hourly (Overtime Eligible; Union Shop)

COMPANY

Silberline, *The Architects of Light*, seeks an Electronics Technician to join our operations team. If you currently have strong multi-plant operations experience this may be the career development opportunity you seek.

NATURE AND SCOPE

Modifies, repairs, tests and installs electrical and electronic equipment and apparatus for power, controls and monitors systems following blue prints, manufacturer's instructions and Company specifications with the use of standard electrician's tools and various electrical and electronics testing devices. Builds and performs tests on electrical and electronic systems components to determine operability. Troubleshoots malfunctioning circuits and makes required repairs. May service or calibrate electronic test equipment or electronic control systems. On occasion, incumbent may need to be available after regular work hours to service equipment in the event of emergency breakdown situations. A solid understanding of the National Electrical Code (NEC) is expected; assessments may be given at the discretion of management to confirm knowledge and skills. Must be capable of completing basic mechanical functions as necessary.

EDUCATION, QUALIFICATIONS & OTHER KEY REQUIREMENTS

Qualified candidates must meet the following criteria:

- Minimum of two (2) years' experience as an electronics technician in an industrial manufacturing environment, preferably maintenance.
- Computer literate with a working knowledge of microprocessors and their set-up.
- An Associate Degree in Electronic Technology or technical certification in the electrical - electronic field would be a plus. Training capability and good organizational skills are necessary.
- Excellent interpersonal and communication skills; team player.

RECRUITMENT PROCESS:

Please submit cover letter with salary requirements and resume to: jobs@silberline.com.

Principals Only. Unsolicited resumes from fee-paid agencies will not be considered.
